Enthusiastic Software Developer eager to contribute to team success through hard work, attention to detail and excellent organizational skills. Clear understanding of the importance of cooperating and training in a continuous practice and learning of software development skills. Always motivated to learn, grow and excel.

## Work History

2022-05 - 2022-10

### Software Developer

*FLAI Informática, Sorocaba - SP*

- Collaborated with project managers to select ambitious, but realistic coding milestones on pre-release software project development.
- Designed customized solutions for proposals to potential customers.
- Developed bug fixes and improvements for desktop softwares.
- Discussed issues with team members to provide resolution and apply best practices.
- Planned and developed interfaces that simplified overall management and offered ease of use.
- Documented technical workflows and knowledge to educate newly hired employees.
- Participated in software field testing to verify performance of developed projects.

2020-09 - 2022-05

### Jr. Developer

*Center Cell, Sorocaba - SP*

- Reviewed project specifications and designed technology solutions that met or exceeded performance expectations.
- Adjusted design parameters to incorporate new features.
- Provided guidance and mentored less-experienced staff members.
- Integrated constructive programs into cohesive product.
- Translated customer requirements into written use cases.

2018-01 - 2019-01

### Teacher

*Private and Public Schools, Sorocaba - SP*

- Implemented and encouraged debate-style classroom environment to increase student engagement and promote critical thinking.
- Planned and implemented integrated lessons to meet national standards.
- Piloted program to address proposed state subject area competencies and standards.
- Reviewed curriculum and devised alternate approaches to presenting lessons to increase student understanding.
- Fostered team collaboration between students through group projects.
